SLS Council Meeting Minutes May 10, 2022

Meeting called to order at 12:00

Libraries. Today forum will be held next week, May 16th, 18th, and 21st. Incredible lineup of speakers with keynotes from Roger Rosen, Amy Hermon, and Mark Ray. Prerecorded videos from PEN America, Dr. Debbie Reese, and Dr. Stephen Krashen. Everything will be available for replay as well.

SLS will use additional local funding made available because of IMLS grant to pilot a first year of SWANK streaming for the region. If usage warrants continuation, will look to include in an expanded media library budget. Will also work with Gale to identify a one-time purchase (non subscription) literature criticism resource as this is a difficult need to meet in high schools.

Meeting adjourned at 12:12
